2018 Reconciliation Agreements

Occupational Health and Safety Reconciliation Agreement

Year Item Added to Work Plan: Work Plan No. 1 (2018)

Work Plan Items: 1, 2, 4, 5 (First Aid Kits; PFDs; Hearing, Head, Foot, Eye Protection)

RCT Liaison: Nova Scotia

IMPACT: Common standards have been agreed to for First Aid Kits and various Personal Protective Equipment (PFDs, and Hearing, Head, Foot and Eye protection). Businesses operating across multiple jurisdictions will no longer bear the time and expense of navigating different requirements.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
AB	Signed	Ministerial Order No. 2022-01, Dec 9 2022 See OHS Code sections 178(3), 222, 229, 233(2), 234(1), and 240	November 30, 2019	1st Aid Kits: Implemented Hearing: Implemented PFDs: Implemented Head: Implemented Foot/Eye: Implemented
BC	Signed	Adoption of Eye, Foot, Hearing, and First Aid Kit standards via policy change. Head Protection and PFDs via regulatory change.	November 30, 2019	1st Aid Kits: Implemented Hearing: Implemented PFDs: Implemented Head: Implemented Foot/Eye: Implemented
CA	Signed	The agreement indicates that CA would require 3-5 years to update regulations for First Aid Kits and they are still within that timeline.	November 30, 2019	1st Aid Kits: Implemented Hearing: Fall 2025 PFDs: Fall 2025 Head: Fall 2025 Foot/Eye: Fall 2025
MB	Signed	<i>Workplace Safety and Health Act and Regulations</i>	November 30, 2019	1st Aid Kits: Implemented Hearing: Implemented PFDs: Implemented Head: Implemented Foot/Eye: Implemented
NB	Signed	<i>General Regulation 91-191 & First Aid Regulation 2004-130</i>	November 30, 2019	1st Aid Kits: Implemented Hearing: Implemented PFDs: Implemented Head: Implemented Foot/Eye: Implemented
NL	Signed	<i>Occupational Health and Safety First Aid Regulations</i>	November 30, 2019	1st Aid Kits: Implemented Hearing: Implemented PFDs: Implemented Head: Implemented Foot/Eye: Implemented
NS	Signed	<i>Workplace Health and Safety Regulations Occupational Safety General Regulations</i>	November 30, 2019	1st Aid Kits: Implemented Hearing: Implemented PFDs: Implemented Head: Implemented Foot/Eye: Implemented
NT	Signed	<i>Occupational Health and Safety Act General Regulations</i>	November 30, 2019	1st Aid Kits: Implemented Hearing: Implemented PFDs: Implemented Head: Implemented Foot/Eye: Implemented

Occupational Health and Safety Reconciliation Agreement

Year Item Added to Work Plan: Work Plan No. 1 (2018)
 Work Plan Items: 1, 2, 4, 5 (First Aid Kits; PFDs; Hearing, Head, Foot, Eye Protection)
 RCT Liaison: Nova Scotia

IMPACT: Common standards have been agreed to for First Aid Kits and various Personal Protective Equipment (PFDs, and Hearing, Head, Foot and Eye protection). Businesses operating across multiple jurisdictions will no longer bear the time and expense of navigating different requirements.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
NU	Signed	<i>Occupational Health and Safety Act General Regulations</i>	November 30, 2019	1st Aid Kits: Implemented Hearing: Implemented PFDs: Implemented Head: Implemented Foot/Eye: Implemented
ON	Signed	<i>Occupational Health and Safety Act General Regulations</i>	November 30, 2019	1st Aid Kits: Implemented Hearing: Implemented PFDs: Implemented Head: Implemented Foot/Eye: Implemented
PE	Signed	<i>Occupational Health and Safety Act General Regulations</i>	November 30, 2019	1st Aid Kits: Implemented Hearing: Implemented PFDs: Implemented Head: Implemented Foot/Eye: Implemented
QC	Signed	<i>Règlements visant l'harmonisation nationale de certaines exigences en matière de santé et de sécurité, Règlement modifiant le Règlement sur les normes minimales de premiers secours et de premiers soins, Loi sur les accidents du travail et les maladies professionnelles.</i>	November 30, 2019	1st Aid Kits: Implemented Hearing: Implemented PFDs: Implemented Head: Implemented Foot/Eye: Implemented
SK	Signed	First Aid Kits via <i>Occupational Health and Safety Regulations, 2020</i> . Hearing, PFDs and Head/Foot/Eye already covered under approved standards.	November 30, 2019	1st Aid Kits: Implemented Hearing: Implemented PFDs: Implemented Head: Implemented Foot/Eye: Implemented
YK	Signed	<i>Occupational Health and Safety Regulations, sections 1.13, 1.18 ciii, 1.23c, 1.35 and 18.02</i>	November 30, 2019	1 st Aid Kits: Implemented Hearing: Implemented PFDs: Implemented Head: Implemented Foot/Eye: Implemented

Weight Allowances for Wide Base Single Tires Reconciliation Agreement

Year Item Added to Work Plan: Work Plan No. 1 (2018)

Work Plan Item: 8

RCT Liaison: Canada

IMPACT: Allowable weights for Wide Base Single Tires and Dual Tires were aligned across jurisdictions to make the use of these tires more practical for the transportation sector.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
AB	Signed	<i>Traffic Safety Act Commercial Vehicle Dimension and Weight Regulations</i>	December 2021	Implemented
BC	Signed	<i>Commercial Transport Regulations, s.7.25</i>	December 2021	Implemented
CA	Signed	No action required	December 2021	Implemented
MB	Signed	Vehicle Weights and Dimensions on Classes of Highways Regulations MR 155/2018	December 2021	Implemented
NB	Signed	Regulation 2001-67 under the <i>Motor Vehicle Act</i>	December 2021	Implemented
NL	Signed	Special permits will be made available	December 2021	Allowed by Permit
NS	Signed	<i>Motor Vehicle Act Weights and Dimensions of Vehicles Regulations, s.191</i>	December 2021	Allowed by Permit pending regulation change
NT	Signed	Special permits are available	December 2021	Allowed by Permit
ON	Signed	<i>Ontario Highway Traffic Act, O.Reg. 413/05, Vehicle Weights and Dimensions for Safe, Productive, Infrastructure-Friendly Vehicles</i>	December 2021	Implemented
PE	Signed	Special permits currently available pending a regulatory amendment to the <i>Roads Act, Vehicle Weights and Dimensions Regulations</i>	December 2021	Implemented
QC	Signed	<i>Vehicle Load and Size Limits Regulation</i>	December 2021	Implemented
SK	Signed	<i>Vehicle Weight and Dimension Regulations</i>	December 2021	Implemented
YK	Signed	Special permits will be made available	December 2021	Implemented

Reconciliation Agreement on Inspection Requirements for Produce

Year Item Added to Work Plan: Work Plan No. 1 (2018)

Work Plan Item: 18

RCT Liaison: Canada

IMPACT: The *Safe Food for Canadians Act* and regulations removed restrictions in place that prohibited the ability of producers to market aquaculture products as organic, and eliminated the inspection requirements for apples, blueberries, and potatoes.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
CA	Signed	<i>Safe Food for Canadians Act and Regulations</i>	January 2019	Implemented

Reconciliation Agreement on Organic Labelling for Aquaculture Products

Year Item Added to Work Plan: Work Plan No. 1 (2018)

Work Plan Item: 18

RCT Liaison: Canada

IMPACT: The Safe Food for Canadians Act broadens the scope of what may be labelled organic and removed restrictions in place that prohibited the ability of producers to market aquaculture products as organic, and eliminated the inspection requirements for apples, blueberries, and potatoes.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
CA	Signed	<i>Safe Food for Canadians Act and Regulations</i>	January 2019	Implemented

CRN for Pressure Equipment Reconciliation Agreement

Year Item Added to Work Plan: Work Plan No. 1 (2018)

Work Plan Item: 13

RCT Liaison: Manitoba

IMPACT: Mutual Recognition for the review of pressure vessel equipment design is removing the requirement for redundant and expensive reviews by Parties.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
AB	n/a	n/a	n/a	Observer
BC	Signed	<i>Power Engineers, Boiler, Pressure Vessel and Refrigeration Safety Regulation, BC Reg 104/2004</i> <i>Occupational Health and Safety Regulation, BC Reg 296/97</i>	Dec 31, 2019	Implemented
MB	Not signed	<i>Anhydrous Ammonia Handling and Transport Regulation, Man Reg 236/89</i> <i>Steam and Pressure Plants Regulation, Man Reg 108/87 R</i> <i>Drilling and Production Regulation, Man Reg 111/94</i>	Dec 31, 2019	Implemented
NB	Not signed	<i>Standards Regulation, NB Reg 84-177</i> <i>General Regulation, NB Reg 91-191</i>	Dec 31, 2019	Not implemented
NL	Not signed	<i>Offshore Petroleum Installations Newfoundland and Labrador Regulations, NLR 20/97</i> <i>Boiler, Pressure Vessel and Compressed Gas Regulations, NLR 119/96</i>	Dec 31, 2019	Not implemented
NS	Signed	<i>Boiler and Pressure Equipment Regulations, NS Reg 10/2011</i> <i>Nova Scotia Offshore Area Petroleum Installations Regulations, NS Reg 166/97</i> <i>Technical Safety Standards Regulations, NS Reg 102/2014</i>	Dec 31, 2019	Implemented
NT	Signed	<i>Mine Health and Safety Regulations, NWT Reg 125-95</i> <i>Gas Protection Regulations, RRNWT 1990, c G-1</i> <i>Oil and Gas Installations Regulations, NWT Reg 029-2014</i> <i>Boilers and Pressure Vessels Regulations, NWT Reg 006-93</i>	Dec 31, 2019	Implemented
NU	Not signed	<i>Boilers and Pressure Vessels Regulations, NWT Reg (Nu) 006-93</i> <i>Mine Health and Safety Regulations, NWT Reg (Nu) 125-95</i> <i>Gas Protection Regulations, RRNWT (Nu) 1990 c G-1</i>	Dec 31, 2019	Implemented

CRN for Pressure Equipment Reconciliation Agreement

Year Item Added to Work Plan: Work Plan No. 1 (2018)

Work Plan Item: 13

RCT Liaison: Manitoba

IMPACT: Mutual Recognition for the review of pressure vessel equipment design is removing the requirement for redundant and expensive reviews by Parties.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
ON	Signed	<i>The Code Adoption Document as referenced in O. Reg. 220/01 (Boilers and Pressure Vessels), under the Technical Standards and Safety Act, 2000 Boilers and Pressure Vessels Safety Program, Ref No. BPV-18-01, June 28, 2018</i>	Dec 31, 2019	Implemented
PE	Signed	<i>Amusement Devices Act Regulations, PEI Reg EC627/02 Boilers and Pressure Vessels Act Regulations, PEI Reg EC234/85</i>	Dec 31, 2019	Implemented
QC	Signed	<i>Regulation respecting pressure installations, CQLR c B-1.1, r 6.1 Construction Code, CQLR c B-1.1, r 2 (CQLR c B-1.1, r 2)</i>	Dec 31, 2019	Implemented
SK	Signed	<i>The Boiler and Pressure Vessel Regulations, 2017, RRS c B-5.1 Reg 2</i>	Dec 31, 2019	Implemented
YK	Signed	<i>Boilers and Pressure Vessels Act Regulations, YOIC 1980/303 Gas Regulations, YOIC 1998/213</i>	Dec 31, 2019	Implemented

2019 Reconciliation Agreements

Construction Codes Reconciliation Agreement

Year Item Added to Work Plan: Work Plan No. 1 (2018-2019)

Work Plan Item: 12

RCT Liaison: British Columbia

IMPACT: Jurisdictions are identifying, reducing or eliminating existing variations between their construction codes and the National Codes, and will minimize new variations in the future. A transformed national code development system will underpin these regulatory alignment efforts which is estimated to have a \$1 billion impact.

Party	Party Signature	Key Objectives/Milestones	Status
All Parties are covered by the Agreement .	All Parties have signed the agreement except for NB.	<p><u>Free Digital Codes</u></p> <ul style="list-style-type: none"> National model codes are freely available in a digital format since April 2019. <p><u>Timely Adoption of Codes</u></p> <ul style="list-style-type: none"> Provinces and Territories are now targeting the adoption of national codes on a common timeline (within 24 months of publication of the 2020 codes and within 18 months of publication of the 2025 codes). <p><u>Reduce/Minimize Variations in the Code:</u></p> <ul style="list-style-type: none"> Provinces and Territories have identified variations between the provincial codes and the national codes. Work to reduce further variations between provincial codes and the national code is ongoing. <p><u>Transformed Code Development System:</u></p> <ul style="list-style-type: none"> A new federal-provincial-territorial (FPT) governance model for code development has replaced the former Canadian Commission on Building and Fire Codes (CCBFC). Joint development of Canada's National Model Codes is being undertaken by the newly formed Canadian Board for Harmonized Construction Codes (CBHCC). Strategic policy direction is being set by the Canadian Table for Harmonized Construction Codes Policy which will oversee the CBHCC and includes deputy-minister-level decision-makers from provincial, territorial, and federal governments. The transition to the new structure is expected to be complete by June 1, 2025. 	<p>Implemented</p> <p>Ongoing</p> <p>Ongoing</p> <p>Implementation Underway</p>

Extra-Provincial/Territorial Corporate Registration and Reporting Reconciliation Agreement

Year Item Added to Work Plan: Work Plan No. 1 (2018)

Work Plan Item: 22

RCT Liaison: Alberta

IMPACT: Parties are reconciling differences in corporate registration and reporting requirements between jurisdictions to alleviate the burden placed on businesses seeking to expand their operations across the country.

Party	Party Signature	MRAS Implementation Milestone	Target Date for Implementation	Status

Energy Efficiency Requirements for Household Appliances Reconciliation Agreement

Year Item Added to Work Plan: Work Plan No. 1 (2018)

Work Plan Item: 14

RCT Liaison: Canada

IMPACT: Parties are aligning their respective regulations with the Government of Canada to provide consumers and industry with certainty and clarity regarding the energy efficiency rules for household appliances such as refrigerators and freezers.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
BC	Signed	BC Regulation 14/2015 (<i>Energy Efficiency Standards Regulations</i>)	Not specified	Implemented
CA	Signed	CA <i>Energy Efficiency Regulations</i> (SOR/2016-311 Amendments 14 and 16)	Not specified	Implemented
MB	Signed	See <i>Made-in-Manitoba Climate and Green Plan</i>	Not specified	Implemented
NB	Not signed	NB <i>Regulation 95-70</i>	Not specified	Implemented
NS	Signed	<i>Energy-efficient Appliances Regulations</i> (N.S. Reg. 400/2008)	Not specified	Not implemented
ON	Signed	<i>Energy and Water Efficiency – Appliances and Products</i> (O.Reg. 509/18)	Not specified	Implemented
QC	Signed	<i>Regulation respecting the energy efficiency of electrical or hydrocarbon-fuelled appliances</i> (chapter N-1.01, r. 1)	Not specified	Implemented

Aquaculture Site Marking Reconciliation Agreement

Year Item Added to Work Plan: Work Plan No. 1 (2018)

Work Plan Item: 17

RCT Liaison: Newfoundland and Labrador

IMPACT: NL and NS have aligned provincial aquaculture site marking requirements with federal requirements to eliminate the variance between and duplication of regulations and procedures to make compliance easier for aquaculturists in those provinces.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
CA	Signed	Transport Canada Standard Operating Procedure Concerning Aquaculture Site Marking Requirements	March 31 2021	Implemented
NL	Signed	<i>Aquaculture Regulations</i> under the <i>Aquaculture Act</i>	March 31 2021	Implemented
NS	Signed	<i>Aquaculture Licence and Lease Regulations</i>	March 31 2021	Implemented

Upholstered and Stuffed Articles Reconciliation Agreement

Year Item Added to Work Plan: Work Plan No. 2 (2019)

Work Plan Item: 24

RCT Liaison: Ontario

IMPACT: The Agreement eliminates red tape and reconciles differences, overlap and duplication that act as a barrier to the trade of upholstered and stuffed articles within Canada, while maintaining adequate levels of protection for consumers through accurate labelling information. This reduces costs to business and improves opportunities for trade.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
CA	Signed	<i>Canada Consumer Product Safety Act</i> , S.C. 2010, c. 21 <i>Toys Regulations</i> under that Act <i>Textile Labelling and Advertising Regulations</i> (under the <i>Textile Labelling Act</i> , R.S.C., 1985, c. T-10)	May 2021	Implemented
MB	Signed	<i>The Bedding and Other Upholstered or Stuffed Articles Regulation</i> , 78/2004 (under <i>The Public Health Act</i> , C.C.S.M. c. P210 (repealed January 1, 2020 in favour of Canada's measures concerning textile labelling and consumer product safety))	May 2021	Implemented
ON	Signed	Ontario Regulation 218/01: <i>Upholstered and Stuffed Articles</i> (under the <i>Technical Standards and Safety Act</i> , 2000, S.O. 2000, c.16 (repealed July 1, 2019 in favour of	May 2021	Implemented

Upholstered and Stuffed Articles Reconciliation Agreement

Year Item Added to Work Plan: Work Plan No. 2 (2019)

Work Plan Item: 24

RCT Liaison: Ontario

IMPACT: The Agreement eliminates red tape and reconciles differences, overlap and duplication that act as a barrier to the trade of upholstered and stuffed articles within Canada, while maintaining adequate levels of protection for consumers through accurate labelling information. This reduces costs to business and improves opportunities for trade.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
		Canada's measures concerning textile labelling and consumer product safety))		
QC	Signed	<i>Regulation Respecting Stuffing and Upholstered and Stuffed Articles</i> (chapter M-5, r.1) <i>Act Respecting Stuffing and Upholstered and Stuffed Articles</i> (chapter M-5)	May 2021	Implemented

2020 Reconciliation Agreements

Pan Canadian Occupational Health and Safety Reconciliation Agreement (Fall Protection)

Year Item Added to Work Plan: Work Plan No. 1 (2018)

Work Plan Item: 3 (Fall Protection)

RCT Liaison: Nova Scotia

IMPACT: Common Standards have been agreed to for Fall Protection. When implemented, businesses operating across multiple jurisdictions will no longer bear the time and expense of navigating different requirements.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
AB	Signed	Ministerial Order No. 2022-01 - OHS Code Amendment Regulation, December 9, 2022	April 2022	Implemented* *One standard (CSA Z259.12-16) accepted via Director's order until regulatory change can be made in 2024.
BC	Signed	Authority provided via administrative policy change under BC's OHS regulations	April 2022	Implemented
CA	Signed	Adoption of Fall Protection Standards did not require a change in legislation	April 2022	Implemented
MB	Signed	<i>Workplace Safety and Health Act</i> and Regulations	April 2022	Implemented
NB	Signed	<i>General Regulation 91-191</i>	July 2022	Implemented

Pan Canadian Occupational Health and Safety Reconciliation Agreement (Fall Protection)

Year Item Added to Work Plan: Work Plan No. 1 (2018)

Work Plan Item: 3 (Fall Protection)

RCT Liaison: Nova Scotia

IMPACT: Common Standards have been agreed to for Fall Protection. When implemented, businesses operating across multiple jurisdictions will no longer bear the time and expense of navigating different requirements.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
NL	Signed	<i>Occupational Health and Safety Regulations</i>	April 2022	Implemented
NS	Signed	<i>Workplace Health and Safety Regulations</i>	April 2022	Implemented
NT	Signed	<i>Health and Safety Regulations</i>	April 2022	Implemented
NU	Signed	<i>Health and Safety Regulations</i>	April 2022	Implemented
ON	Signed	<i>Occupational Health and Safety Act O. Reg. 213/91 Construction Projects</i>	April 2022	Not implemented
PE	Signed	<i>Occupational Health and Safety Act Fall Protection Regulations</i>	April 2022	Implemented
QC	Signed	Regulation respecting occupational health and safety in mines	April 2022	Implemented
SK	Signed	<i>The Occupational Health and Safety Regulations</i>	April 2022	Implemented
YK	Signed	<i>Occupational Health and Safety Regulations, s.18.02</i>	April 2022	Implemented

First Aid Training Amendment to Schedule “A” of the Pan Canadian Occupational Health and Safety Reconciliation Agreement

Year Item Added to Work Plan: Work Plan No. 1 (2018)

Work Plan Item: 1b

RCT Liaison: Nova Scotia

IMPACT: Common standards have been agreed to for Workplace First Aid Training. When implemented, businesses operating across multiple jurisdictions will no longer bear the time and expense of navigating different requirements or duplicating training.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
AB	Not signed	Ministerial Order No. 2022-01 - <i>Occupational Health and Safety Code Amendment Regulation</i> , December 9, 2022	March 2023	Implemented
BC	Signed	Not specified	March 2023	Not implemented
CA	Signed	No action Required. Federal regulations defer to PTs to certify training providers.	March 2023	Implemented
MB	Signed	<i>Workplace Safety and Health Act and Regulations</i>	March 2023	Implemented
NB	Signed	<i>First Aid Regulation 2004-130</i>	March 2023	Implemented
NL	Signed	WorkplaceNL training standards are aligned with CSA 1210-17	March 2023	Implemented
NS	Signed	<i>Workplace Health and Safety Regulations</i>	March 2023	Implemented
NT	Signed	<i>Health and Safety Regulations</i>	March 2023	Implemented
NU	Signed	<i>Health and Safety Regulations</i>	March 2023	Implemented
ON	Not signed	O. Regulation 1101 (First aid requirements) <i>Workplace Safety and Insurance Act, 1997</i> . The Workplace Safety and Insurance Board recognizes first aid certificates from other Canadian jurisdictions.	March 2023	Not implemented
PE	Not signed	<i>Occupational Health and Safety Act General Regulations</i> (pending)	March 2023	Not implemented
QC	Signed	Not specified	March 2023	Not implemented
SK	Not signed	<i>Occupational Health and Safety Regulations, 2020</i>	March 2023	Not implemented
YK	Signed	Authority provided under <i>Occupational Health and Safety Regulations</i> s.18.02.	March 2023	Implemented

Filtering Respirators Amendment to Schedule “A” of the Pan Canadian Occupational Health and Safety Reconciliation Agreement

Year Item Added to Work Plan: Workplan No. 4 (2021)

Work Plan Item: 27

RCT Liaison: Canada

IMPACT: Recognition of a Canadian standard for respirators across multiple jurisdictions provide Canadians with increased access to domestically produced personal protective equipment/filtering respirators.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
AB	Signed	Alberta Occupational Health and Safety Code or via alternative legislative tool.	December 2023	Implemented*
BC		Implemented – No further action Required	December 2023	Implemented
CA	Signed	Implemented – No further action Required	December 2023	Implemented
MB		Implemented – No further action Required	December 2023	Implemented
NB	Signed	Implemented – No further action Required	December 2023	Not Implemented
NL		Section 85(2) of the NL OHS Regulations	December 2023	Not Implemented
NS	Signed	Implemented – No further action Required	December 2023	Implemented
NT		Not specified	December 2023	Not Implemented
NU		Not specified	December 2023	Not Implemented
ON		Not specified	December 2023	Not Implemented
PE		Occupational Health and Safety Act General Regulations	December 2023	Not Implemented
QC		Regulation 78800	December 2023	Implemented
SK	Signed	Implemented – No further action Required	December 2023	Implemented
YK	Signed	Implemented Administratively – Change regulations the next time they are up for review.	December 2023	Implemented

* Implemented through temporary legislative tool/code change in progress.

2021 Reconciliation Agreements

Entry-level Training for Commercial Drivers (Class 1) Reconciliation Agreement

Year Item Added to Work Plan: Work Plan No. 2 (2019)

Work Plan Item: 29

RCT Liaison: Saskatchewan

IMPACT: The agreement sets out minimum standards for commercial truck driver ELT across Canada to support national reciprocity and road safety. Once implemented, a truck driver's ELT will be the minimum training credential accepted by driver licensing authorities across Canada, saving the driver and the sponsoring company time and money while upholding high safety standards.

Party	Party Signature	Applicable Legislative, Regulatory or Policy Amendment	Target Date for Implementation	Status
AB	Not signed	<i>The Traffic Safety Act The Operator Licensing and Vehicle Control Regulation</i>	September 2022	Implemented
BC	Signed	<i>Motor Vehicle Act Motor Vehicle Act Regulations</i>	September 2022	Implemented
MB	Signed	<i>The Drivers and Vehicles Act Driver Licensing Regulation</i>	September 2022	Implemented

Entry-level Training for Commercial Drivers (Class 1) Reconciliation Agreement

Year Item Added to Work Plan: Work Plan No. 2 (2019)

Work Plan Item: 29

RCT Liaison: Saskatchewan

IMPACT: The agreement sets out minimum standards for commercial truck driver ELT across Canada to support national reciprocity and road safety. Once implemented, a truck driver's ELT will be the minimum training credential accepted by driver licensing authorities across Canada, saving the driver and the sponsoring company time and money while upholding high safety standards.
